Focus Passage:

What?

What verses/phrases/details is God really trying to draw my attention to?

So what?

What is God trying to teach me through those verses/phrases/details above? Why would they be written there in the first place, and why would they be written in that way? If I were to read "between the lines," what significance would I find?

Now what?

What is God showing me about Himself/His character through all this, and how can I trust Him more with that in mind? In what ways is God calling me to live differently today through this passage?

The Bottom Line

What Statement of Truth or Statement of Trust is God asking me to make today?

"Those who desire to find the treasures of truth must dig for them...No halfhearted, indifferent work will avail. It is essential for old and young, not only to read God's word, but to study it with wholehearted earnestness, praying and searching for truth as for hidden treasure."
